

[illegible]

The graph displays a complex network of connections between 18 educational institutions. The nodes are color-coded: yellow for Wananga (Wananga Engineering, Wananga Health, Wananga SocialSci, Wananga CompSci), green for Polytechnic (Private Engineering, Private CompSci, Polytechnic Engineering, Polytechnic PhysicalSci, Polytechnic CompSci), and purple for University (Private Health, Private Sci, University CompSci, University SocialSci, University Biology, University PhysicalSci, University Engineering). The connections are represented by a dense web of lines, indicating a high degree of interconnectivity between the institutions.
