

[illegible]

The diagram is a network graph with nodes representing different departments and institutions. The nodes are color-coded and labeled as follows:

- Red Nodes (Health):**
  - University Health
  - University Biology
  - University Other
  - University SocialSci
  - Private Health
  - Polytechnic Health
- Yellow Nodes (Social Sciences):**
  - Wananga Health
  - Wananga SocialSci
  - Wananga Other
  - Wananga CompSci
  - Wananga Engineering
- Blue Nodes (Physical Sciences):**
  - University PhysicalSci
  - Polytechnic PhysicalSci
- Purple Nodes (Engineering/Computer Science):**
  - University Engineering
  - Private Engineering
  - Polytechnic Engineering
  - University CompSci
  - Polytechnic CompSci
  - Private CompSci
- Other Nodes:**
  - College of Education Other
  - Other Provider Other
  - Private Other

The connections between these nodes represent a complex web of relationships, likely representing shared resources, collaborations, or administrative links between the various departments and institutions.
